ABOUT VANGUARD AWARDS

The Vanguard awards program has been designed to recognize, reward and motivate intrapreneurial effort with the strong belief that celebrating, and championing role models will inspire more organizations and leaders to tread this path. The Vanguard Awards is a pioneering, one of its kind, cross industry recognition program focused on Intrapreneurship in multiple forms. Backing on the success of Edition one, the awards have been extended to more industry categories and will cover smaller organizations and startups incubated under Corporate Accelerator programs.

Intrapreneurial Practice Award

Recognizes organizations that have a formal framework, set of practices and a governance model to encourage intrapreneurship among their employees.

Star Intrapreneur Award

Seeks to recognize individuals or small teams who have experienced the entire gamut of the intrapreneurial journey - from idea generation to an actionable outcome. This is a self-nomination category.

CATEGORIES

Breakthrough Ideas Business Impact Award

Seeks to celebrate ideas that have the potential to impact the business across dimensions such as technology enabled impact, impact on business models, cost optimisation, customer experience, process improvement etc.

Breakthrough Ideas Social Impact Award

Seeks to celebrate ideas that have immense potential for impact in specific areas aligned to one or more of the 17 UN sustainability and development goals.

- This year, the awards have been opened to public sector enterprises, SMEs and Startups incubated under Corporate Accelerator programs.
- Star Intrapreneur Awards are Industry agnostic and open to Academic Institutions and NGOs.
- Selection of awardees will be made by an eminent cross industry jury panel comprising of Governing Council members and other eminent personalities in the field of Intrapreneurship and Innovation.
